INTRODUCTION

"We Make a Difference"

- **The 417th Base Support Battalion provides base operations support to the installations in our area of responsibility. For those of you familiar with garrisons at stateside installations, we are one in the same.**
- **Our area of responsibility is comprised of three mutually supportive but geographically dispersed communities - Giebelstadt, Kitzingen, and Wuerzburg.**
- **The battalion headquarters is located at Harvey Barracks in Kitzingen. To overcome the dispersion of our BSB, we have local managers, or Area Support Teams located at Leighton Barracks in Wuerzburg and Giebelstadt Army Air Field, as well as the Kitzingen Installation Coordinator. They represent the Commander on a daily basis in each of their areas.**

CONCLUSION

"We Make a Difference"

The 417th BSB is proud to serve the Würzburg, Kitzingen, and Giebelstadt military community. Without a doubt, our community is the best in USAREUR. We wisely invest our limited resources into community programs that improve our living and working environment. We have dedicated employees, committed volunteers, and close German/American relations which combine to make this truly a wonderful place to work and live.
