MEMORANDUM FOR RECORD

SUBJECT; Policy letter 12, Equal Opportunity, Supplement #1

1. All soldiers living in the barracks will not display any posters, flags, symbols, and any other graffiti-type paraphernalia, either on the walls or in plain view, inside of their room. There will be no unauthorized posters, flags, symbols, and any other graffiti-type paraphernalia displayed in the hallways or other rooms in the barracks area that we control. The open display of any of the aforementioned is prejudicial to the good order and discipline of this organization. Effectively immediately, all soldiers will comply with this directive.

2. The United States Army is an Army of One, which means that we must be in concert with each other at all times, in order to support and defend the United States of America, whether we are at home or abroad. Our cohesiveness as a unit is critical to our survival as a whole. We can ill-afford to jeopardize what makes us so strong.
