# Issues From Previous Town Hall

- **One individual wondered how to address inappropriate actions of children at off post CDCs and how could those concerns be addressed.** Contacted the German CDC. German policy is to let children sort out their own interactions unless the action is clearly inappropriate and/or a demonstrated pattern . Please continue to raise specific concerns to the chain of command and the 417<sup>th</sup> BSB so we can address them immediately and demonstrate at pattern of behavior.
- **Can AAFES upgrade the bathrooms in the Giebelstadt AAFES building (toilettes by the laundrotmat)?**  
Work order #BSB-00532-4J to renovate the male and female toilettes in Bldg 612, AAFES building is in progress. Due to the recent de-obligation of the Leighton motor pool project \$15K is now available to execute this project. Anticipate **complete renovation by 28 Aug 04.**
