## *Halloween to offer scary options*

**By Larry Reilly**  
*Public Affairs Office*

Halloween 2004 will bring on more than just ringing doorbells for treats.

This year, children in the 417<sup>th</sup> BSB will be able to knock on doors and trunks for treats, play at a Fall Safety Fest or get scared at many haunted houses.

"There are many events and activities planned for the

upcoming Halloween weekend, especially in Wuerzburg, where we plan to have Trick or Treat, Trunk or Treat, a Fall Safety fest and two haunted houses," said Donald Smith, Wuerzburg Area Support Team commander.

In past years, the Wuerzburg community held a haunted house and the traditional Trick or Treat event on Halloween Day, but is

adding a number of other activities this year.

"There has been a big request from the community and the command to hold a number of activities to complement the evening Trick or Treat event," Smith said.

The Fall Safety Fest will be at the Leighton Physical Fitness Center from 1 until 4:30 p.m. The Trunk or Treat will be at the Middle School parking lot from 5 until 7 p.m.

and Trick or Treat in the Skyline and Lincoln housing areas from 5 until 8 p.m. For more information, call 350-7151 or (0931) 8897151.

There will a haunted house on Oct. 30 in the Air Force compound on Leighton Barracks from 3 p.m. until 8 p.m. and a haunted house on Oct. 31 at the Leighton American Middle School from 5 until 8:30 p.m.

### **KCSC Fall Bazaar set for Oct. 22-24**

The Kitzingen Community Spouses Club (KCSC) will conduct its annual International Bazaar Oct. 22-24 at the Harvey Barracks Physical Fitness Center in Kitzingen.

The three-day bazaar, which is stroller and backpack friendly, will offer community members an opportunity to shop at more than 65 international vendors.

The bazaar will be open Oct 22, from 11 a.m. until 7 p.m., Oct. 23, from 10 a.m. until 7 p.m. and Oct 24, from 11 a.m. until 4 p.m.

For more information, call Teresa Gillespie at (09321) 926838.

#### **Safety Information Tent setup**

During the bazaar, the 98<sup>th</sup> ASG and the 417<sup>th</sup> BSB Provost Marshal and Safety Offices will operate a safety tent outside the Harvey Barracks Physical Fitness Center and hand out safety information on privately owned vehicles and winter safety tips and precautions.

#### **Hispanic Hurrah**

Children from the Hispanic Church Torre Fuerte in Schweinfurt perform a routine that depicts the history of Puerto Rico during the 417<sup>th</sup> BSB's Hispanic Heritage Celebration at Centre Court on Harvey Barracks, Oct 7. Dozens of community members were treated to a variety of Hispanic entertainment and food.

## Command Sergeant Major's Comments

# Children should know rules of riding buses

We are coming up on Halloween, which means our kids will be donning their costumes and dispersing throughout our community looking for tricks or treats. This will happen both Saturday and Sunday, Oct. 30 and 31.

This is an exciting time for kids, so exciting that they may lose focus of safety measures. Please reinforce safety to your kids; especially watching for motor vehicles as they cross the streets.

I also ask that you pay closer attention to the road and be prepared to react as you drive through our neighborhoods.

Our buses transport our precious cargo everyday. We task our bus drivers and monitors to get our children to and from school safely and not have anything distract them from doing just that.

One of the responsibilities of the bus monitors is to ensure our children are following the rules; this allows the drivers to concentrate on driving.

Our children's bad behavior such as, loud noise and moving around while the bus is in motion seems to be the greatest distractions.

**CSM Ralph Ford**

I ask that you speak with your children about behaving and following the rules and explain the safety reasons behind this rule.

I also ask you to share with them that their behavior can result in a temporary or permanent suspension from riding the bus. This means the parent will be responsible for transporting their child to school.

Twice each year, spring and fall, all the members of the 417<sup>th</sup> BSB communi-

ty are expected to participate in an organized, community-wide cleanup, regardless of whether or not the sponsor is deployed.

This year's Fall Cleanup gets underway Nov. 2 – 5.

Senior military personnel, directors, supervisors/managers, and area and building coordinators are responsible for coordinating and ensuring cleanup efforts within their areas.

At a minimum, all outside areas are to be raked, edged, trimmed and cleared of trash and debris.

Sprucing up our areas will give everyone a sense of pride in our community, our working locations and living areas. It will also give our visitors a greater impression too.

If everyone does their part, then everyone benefits and Fall Cleanup will be a huge success in enhancing our community's appearance.

If you have any questions regarding Fall Cleanup, please see your chain of command or area/building coordinator so we can get you an answer.

*"Together, we make a difference"*

## **HALLOWEEN** continued from page 1

Wuerzburg will hold its first Trunk or Treat event this year, however the event is not new to the area as residents in Giebelstadt look forward to it.

"Because we have no family housing on the Giebelstadt Army Airfield,

Soldiers in the 12<sup>th</sup> Aviation Brigade came up with the idea to decorate their car trunks and have the children go from trunk to trunk as they would door to door," said Ken Emory, Area Support Team commander for Giebelstadt.

The Giebelstadt Trunk or Treat event will be in the Big Windy hangar Oct. 30 from 6 until 9 p.m.

There will also be a haunted house on Giebelstadt Oct. 30. For more information, call 352-7408 or (09334) 217408.

A traditional Trick or Treat event will be held on Marshal Heights in Kitzingen Oct. 30 from 5 until 8 p.m. There will be a Haunted House at Centre Court on Harvey Barracks Oct. 22-24 and Oct. 29-31 from 7 until 10 p.m. For more information about the Kitzingen events, call 355-2400 or (09321) 7022400.

## Survey conveys interest in early retirement

Heidelberg, GE — The U.S. Army Installation Management Agency – Europe conducted a survey of its workforce to determine the number of employees that would be interested in taking an early retirement (VERA) and/or the voluntary separation incentive (VSIP).

Both VERA and VSIP are management tools designed to minimize the impact of involuntary separations with the IMA-E region.

The purpose for the survey was to ascertain the number of employees that would be interested in participating in the programs. These incentives will be used very sparingly and only in situations whereby the impact of downsizing, restructuring, and/or reduction-in-force would be minimized through the utilization of these tools. The most common misconception regarding the two incentives is the belief that if you receive the VERA, you will automatically be entitled to VSIP.

IMA-E does not view VSIP as an automatic entitlement for employees.

Approvals of VSIP applications will be contingent upon management's ability to identify how civilian reductions can be minimized and cost savings achieved through the use of the VSIP authority.

VERA will be implemented for reasons similar to those identified under VSIP; however, unlike VSIP the VERA will be offered prior to the initiation of any reduction-in-force.

An important fact to know is that not all request received in response to the VERA open window will be approved. IMA-E management officials reserve the right to disapprove VERA requests based on the needs of the organization. Employees that are approved for VERA and/or VSIP must meet certain eligibility criteria for early separation and to receive monetary compensation.

Employees, regardless of age, who have 25 years of service or those at age 50 with 20 years of service, may apply for VERA during the designated "open-window" period. The "open-window" period for which applications may be

submitted will be determined by the IMA-E region director.

Any employee, except reemployed annuitants, regardless of retirement eligibility may apply for VSIP and receive up to \$25,000. These are general requirements for VERA and VSIP eligibility.

Visit the Department of Defense National Personnel System website at [http://www.cpmis.osd.mil/care/index\\_tools.html](http://www.cpmis.osd.mil/care/index_tools.html) for more details about VERA and VSIP.

The initial canvassing of the workforce was to determine a projected number of possible participants for the above referenced programs.

In the event the need would arise to offer these incentives, the IMA-E workforce would once again be canvassed to determine the number of interested employees by position title, series, grade, organization and seniority.

This subsequent canvassing of the workforce would be to render an approval decision pertaining to the granting of VERA and/or VSIP to the individual.

### Patriotic Pledge

Family members and Soldiers of HHB, 4th Battalion, 3rd Air Defense Artillery look over one of the four flags the battalion has put together for Soldiers in Iraq. The flags are made up from individual flags that bear the names of every Soldier assigned to the battalion. The four flags will soon be mailed to the Soldiers downrange.
