

417th Base Support Battalion

SAFETY BULLETIN

HAVE A SAFE BBQ

Use only approved grills with German "GS", European "CE", or US approval.

Grill only in authorized areas, at least 10-15 feet away from playgrounds, tents, beddings and woods.

Keep children and pets away from the grill.

Never leave the fire unattended. Place a bucket full of water, dirt, or sand nearby the grill in case of fire.

Thoroughly extinguish the fire before leaving the site by using water, dirt, or sand.

Charcoal grills are prohibited by German law to be used on balconies, in buildings or garages.

Lighter fluid - apply and let it soak in for at least a minute before lighting.

!!!NEVER pour lighter fluid or gasoline onto the lit coals!!!

This could cause the bottle to catch on fire and explode. Fire could spread all around and bystanders could be burned.

MAKE SAFETY A WAY OF LIFE
